10/26/11 TBA  
11/23/11 No Workshop  
12/28/11 No Workshop

Updated 6/14/2011

Do you feed outdoor cats?  
Concerned about their increasing numbers & safety?

Come learn why TNR (Trap, Neuter, Return) is the only method that works effectively. The class will provide tips and instructions on how to safely and humanely reduce the free-roaming cat population in your community. Trapping and killing cats is inhumane, **against the law** and does not stop the outdoor cat population from increasing.

The class will explain everything you need to know about the TNR process, free loan of traps, low-cost spay/neuter options, recovery protocols after spay/neuter surgery, how to help solve cat nuisance problems and safely manage outdoor cat populations.

**SAFCC is not a shelter or a rescue organization and we do not take in cats. No animals are allowed at the TNR classes. These sessions are for information and education ONLY.**
